

Senior Vice President, Administrative Services

Bonnie F. Money penny

Ms. Money penny has been employed at the Federation of American Hospitals in the above capacity since 1993. She has the responsibility for overseeing all daily operational functions of the Federation of American Hospitals, Administrative Office, including management of 3 staff members; planning the annual conference; serving as the staff member for the Exposition Advisory Committee; planning and implementation of annual conference workshops; selling sponsorships for the annual conference and other FAH conferences, as needed; selling supplier company contracts for the annual conference; selling advertising for the annual directory; and maintaining good working relations with FAH members, the hospital supplier community and the GPO/IDN provider community. She also has the responsibility of serving as the Administrative Office liaison with the National Office, the Board of Directors, the Board of Governors, the Nominating Committee and the Audit/Administrative Affairs Committee.

Prior to joining the Federation, Ms. Money penny was employed as the Director of Human Resources for five years for a managed care company with 250+ employees. For many years she was vice president and state lobbyist for the League of Arkansas Savings Institutions (a now defunct association representing savings and loans). Her career also includes four years with the Arkansas Bankers Association and three years as a commercial office building property manager for Prudential.
