

WHERE HEALTHCARE BUSINESS GETS DONE

The **2027 FAH Conference and Business Exposition** is a national forum bringing together healthcare suppliers and supply chain decision-makers, focused on building connections, creating new business opportunities, and strengthening partnerships.

WHO ATTENDS?

**65% Account & Sales Leaders | 25% Executive Leadership
10% Clinical, Supply Chain & Advisors**

- Senior supplier leadership, including VPs, Directors, and National Account leaders
- Enterprise contracting, GPO strategy, and health system partnership leaders
- National accounts, strategic sourcing, and market access professionals
- Supply chain and purchasing decision-makers

WHY ATTEND?

- Engage with 200+ leading supplier organizations across pharmaceuticals, medtech, diagnostics, and services
- Connect directly with a broad cross-section of companies shaping today's healthcare supply chain
- Discover new solutions while strengthening relationships with current partners
- Streamline sourcing by meeting multiple suppliers in one place

WHAT ATTENDEES SAY

"This show allows us to engage both GPOs and health systems while understanding what's shaping the healthcare landscape. It's the best of both worlds."

"Always a great meeting... FAH accelerates connections and the exchange of insights."

"A perfect platform to connect with customers and industry leaders, set up meaningful follow-up meetings, and hear from experts on topics directly relevant to our business."

"If your company is involved in GPO/IDN/VA contracting, this is the one meeting of the year that can help you achieve that goal."

"FAH is a conference not to be missed, offering insights into healthcare policy and the opportunity to network with influential healthcare professionals."
